Press Release

Driver in Avon Multi-Car Crash was Easton Man

Contact: D.Traub, 781-830-4917

The driver killed in the multi-car crash in the town of Avon on Saturday, March 25, 2017 was John Voltolini, age 60, of South Easton, Mass.

Preliminary investigation suggests that Mr. Voltolini was operating his BMW automobile westbound on Harrison Blvd in the town of Avon and, for reasons that remain under investigation, his vehicle crossed into the eastbound lane, crashing into three other vehicles.

Although the matter remains under investigation by the Avon PD with participation from the Norfolk District Attorney's Motor Vehicle Homicide Unit and Massachusetts State Police, there is no immediate expectation that charges will be forthcoming.

The three other vehicles damaged were a Pontiac van, a Toyota sedan and a Honda CRV. Three passengers of the van were transported to a hospital, as was one from the Toyota and two from the Honda. All are expected to survive.
