Ivan Keith, 61, of Seal Cove, Maine, will be arraigned in Norfolk Superior Court at 2 p.m Tuesday, September 10, 2019, for a 1996 Quincy rape, Norfolk DA Michael W. Morrissey announced.

Keith was arraigned in Taunton District Court last month after being located in Maine and returned to Massachusetts.

"This case was the subject of a John Doe/DNA profile indictment in 2012," Norfolk District Attorney Michael W. Morrissey said. "There was DNA evidence collected subsequent to the report of this rape, and the victim provided a physical description to detectives in 1996. That information became the basis for this indictment. We have amended the indictment to reflect this defendant's name and scheduled his superior court arraignment."
